Premier Insulated Room

Balmoral & Cambridge Heavy Duty Workshops

Built on ex50×50ppd framework

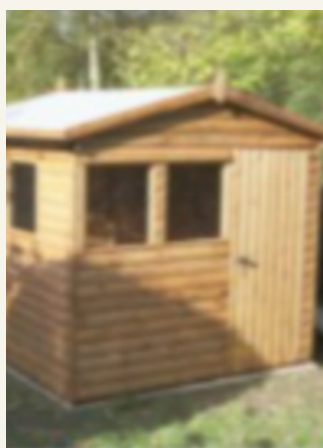

A heavy duty range of workshops, strongly constructed on a minimum of **ex50×50ppd framework** — made to work hard, year after year.

CLADDING

Balmoral: ex25mm T&G Redwood cut to Loglap pattern. Cambridge: ex19mm T&G Redwood cut to Shiplap pattern.

SPECIFICATION

Secure hinges with lock & handle. 12mm exterior hardwood ply floor. Heavy duty roofing felt. Door & window positions variable.

The Ascot Garden Rooms

Apex · bespoke · lined for all year round use

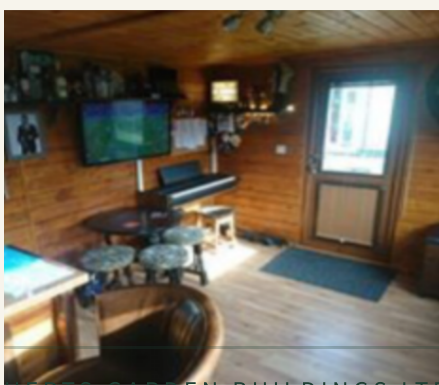

Apex bespoke garden rooms built to **your designs**, with numerous cladding options and a wide selection of doors and windows.

GLAZING

Wooden double glazed, or uPVC in Golden Oak and Anthracite colours.

ALL YEAR ROUND

Also available fully lined, so the room stays comfortable in every season.

Fontwell Garden Room

Pent roof · bespoke · built to your design

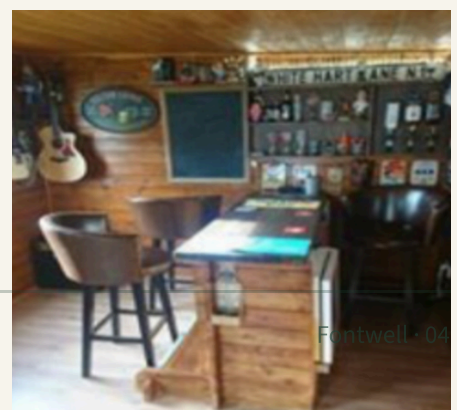

A **pent** bespoke garden room built to your design, with numerous options of cladding and a wide selection of doors and windows.

GLAZING

Wooden double glazed, or uPVC in Golden Oak and Anthracite colours.

ALL YEAR ROUND

Available lined throughout for comfortable use in every season.

RANGE 04 — PREMIER

The Aintree

Modern uPVC double glazed insulated garden room

A fantastic, robust premier garden room for all year round use — ideal as a **home office, hobby, art, music, gym, play or study room.**

INCLUDED AS STANDARD

- **FREE local delivery and assembly**
- uPVC double doors and one pair of sidelights in Anthracite (white inside)
- 16'+ width buildings include two pairs of sidelights in Anthracite outside (white inside)
- T&G heavy duty ex25mm cladding
- Roof overhang and heavy duty torch-on polyester roofing felt
- Internal T&G wood lining with insulated walls and roof
- Insulated flooring with soft carpet and underlay, or wood-effect click flooring at no extra cost
- Exterior base coat of wood preserver

Insulated, lined and finished — ready to use the day it is built.
